## New Smoke-Free Zones Coming in September

Stuttgart installations are moving one step closer to becoming totally smoke-free. Currently smoking is limited to the following areas: designated outdoor smoking areas, living quarters, German kantines and Morale, Welfare and Recreation facilities (until MWR goes smoke-free Dec. 7). Starting in September, the following areas will become smoke-free zones: Robinson Barracks CX, Patch Commissary and Washington Center building 2307.

The new policy is applicable to all who set foot on local U.S. military installations, including active-duty and reserve military personnel, family members, civilian employees, local nationals, contractors, visitors and personnel of other agencies or businesses.

## Report Suspected Espionage Incidents

Community members who encounter a suspicious incident are reminded to not commit themselves to do anything and to ask for time to think over any offers. Remember all descriptions and details about locations, people, conversations, vehicles and license plates. Report the incident immediately by calling the Stuttgart Military Intelligence Office, 421-2206/civ. 0711-729-2206.

## All BNOC Graduates Get 40 Points

Soldiers who successfully complete the Basic Noncommissioned Officer Course will now be awarded 40 promotion points. Soldiers will no longer receive four promotion points per BNOC-course week. This change will lessen administrative mistakes and level the playing field for graduates with similar military occupational specialties. The point system will be applicable to every soldier in his or her career field (MOS) and the cut-off score will reflect that. For info go to the Web site [www.dtic.mil/armylink/news/Jul2002/a20020730bcourse.html](http://www.dtic.mil/armylink/news/Jul2002/a20020730bcourse.html).

## Note Possible Holiday Closures

Aug. 30 is a U.S. Army Europe training holiday supporting Labor Day and providing a four-day weekend opportunity. Expect office closures; call ahead for operating hours.

## Click It or Ticket Campaign Continues

U.S. Army Europe's Click It or Ticket campaign to convince people that seatbelts save lives was a success. The July 4 weekend was the first four-day weekend in a while in which no USAREUR personnel were involved in fatal or serious traffic accidents. U.S. Military Police enforced seatbelt compliance on USAREUR installations and in housing areas. Off-post checkpoints were also set up with the German Police. Military and German police checked nearly 12,000 vehicles and issued 414 tickets to motorists for seatbelt violations.

Wearing lap and shoulder belts reduces the risk of fatal injury to front-seat occupants by 45 percent and the risk of moderate to critical injury by 50 percent. Many fatal or serious accidents would have had far less grave consequences if the driver and passengers had been wearing seatbelts. USAREUR will continue to crack down on drivers and passengers who don't buckle up. Click It or Ticket will be repeated during the Labor Day weekend, Aug. 30 through Sept. 2.

### Events/Functions Require FP Plan

A force protection assessment plan should be completed for all off-post official and U.S.-sponsored events. The organizer(s) of an off-post event involving 50 or more individuals should also complete a force protection plan. Once the plan is completed, the organizer should contact the 6th Area Support Group Force Protection office, 421-2860/civ. 0711-729-2860, to review the plan. Unit organizers will be contacted via telephone and e-mail notifying them of the outcome.
